Automated Skills Assessment

Verify talent proficiency! Receive skill proficiency scores, transcripts, voice notes, and video recordings.

The screenshot displays the 'Self-defined skills' assessment interface for Sterling Smith, dated Nov 11, 2023. The interface is divided into several sections:

- Trust Score:** 98%
- Aptitude Score:** 90%
- Results Summary:**
 - Node.js: Beginner 20% (★)
 - React Native: Intermediate 40% (★★)
 - HTML: Advanced 80% (★★★)
 - CSS: Guru 95% (★★★★)
- Questions taken:** Questions - 20, Answers - 10/10
- AI Assessment:** SQL (Tested as: Senior, Time taken: 4 min 31 sec). The assessment question asks for a complex SQL query to retrieve specific information from a database with four tables: users, orders, products, and order_details.
- Transcript:** A video recording of the assessment with a transcript below it.

A smartphone overlay shows the mobile version of the interface, highlighting the 'Self-defined skills' header, the 'Download report' button, and the 'Trust Score' and 'Aptitude Score' metrics.
